Re: *Bullseye Glass Co. v. Governor Kate Brown, et al.*
United States District Court for the District of Oregon; Case No. 3:17-cv-1
970-JR
FOIA EPA-R010-2019-004043

Dear Ms. Hines:

I write to you on behalf of our client, Bullseye Glass Co., the Plaintiff in the referenced case. On February 19, 2019 we served a subpoena on the EPA. We served the subpoena by mail after the Region 10 office agreed to accept mail service. A copy of that subpoena is enclosed here for your reference. A copy of EPA's written response to our subpoena is also attached. Should you have any questions about service of our subpoena (which EPA is treating as a FOIA request) please contact Kristen Leefers, Region 10 Assistant Regional Counsel.

Region 10 has begun responding to the subpoena via FOIA EPA-R010-2019-004043. In communicating with the Region 10 office about its response to the subpoena, we were informed that Requests Nos. 5 through 8 specify certain custodians of records and/or information located in different regional offices and/or at the EPA headquarters. To more efficiently obtain the document responsive to our subpoena, Region 10 provided us with your contact information, so that we could request the responsive documents directly from your office.

Specifically, we are requesting records from Region 4 in regards to Requests Nos. 6 and 7. In regards to Request No. 6, the requested response is limited to the following entities: Armstrong Glass, Parramore Glass, and Origin Glass.
